Instants suspendus

Vernissage Friday 29 March

John Bongaarts lives between Maastricht, in Holland, and the south of France, and is a regular of the Auberge du Cèdre since a long time.

We are very happy to be able to present you this spring a beautiful sample of his photographic works.

Reflets de Vin

Vernissage Friday 7 June

Michel Rossignol, Photographer in Pessac-Leognan, presents us here with a miraculous universe of forms and colours, which seem to be coming out of nowhere - and yet it's just made of wine, glass and sunlight...

Les Echelles de Bacchus

Vernissage Friday 2 August

A stunning collection of breathtaking views, photographed in old Languedoc wineries, to which Marc Deotte, photographer in Pézenas, has already dedicated an entire book. We dive - amazed - in a surprisingly coloured world of strange structures and textures...
